

Laze 003 Rocking Chair

Design Gordon Guillaumier

Technical Information

LAZE is the new lounge chair collection proposed by RODA, conceived and designed by Gordon Guillaumier, whose main features are, once again, design, comfort and functionality. Thanks to a sinuous and enveloping silhouette which resemble the shape of a big leaf, this outdoor furniture collection allows to enjoy the unique comfort which is typical of RODA's garden chairs. The tubular shell, in stainless steel, is the frame on which the polyester filaments are stretched, cleverly strung, to create a seat perfectly ergonomic, wide and welcoming.
